8(a) Certified

As a participant in the SBA 8(a) Business Development Program, the Kingstruction-Advon Joint Venture can offer our clients unique benefits that set us apart from non-certified joint ventures. Our certification by the SBA means that our past performance in government contracts and projects are recognized and represented collectively. Additionally, our shared resources and costs allow for more efficient and cost-effective project completion. The SBA has approved our joint venture structure, ensuring that we meet the specific criteria for eligibility, and we have provided a transparent joint venture agreement, explaining the purpose and responsibilities of both parties. With our joint venture, customers can trust that they are partnering with a capable and reliable team that is dedicated to excellence and customer satisfaction.
